APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source.

The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 10 acre feet per annum.

Actual construction work shall begin on or before April 25, 1920.

Proof of commencement of work shall be filed before May 25, 1920.

Work must be prosecuted with reasonable diligence and be completed
on or before October 25, 1920.

Proof of completion of work shall be filed before November 25, 1920.

Application of water to beneficial use shall be made on or before April 25, 1921. Proof of the application of water to beneficial use must be filed with State Engineer on or before May 25, 1921.
